- I would like to make a one-time gift to save natural space in the Rideau Waterway.
- I would like to make an automatic monthly donation. Please visit [www.rwlt.org/donate-here](http://www.rwlt.org/donate-here)
- I would like to make a donation in American Dollars. Please visit [www.rwlt.org/annual-gifts](http://www.rwlt.org/annual-gifts)
- Gifts of Securities:* You may wish to make a donation of stocks, bonds, mutual funds or other publicly traded securities. This is especially advantageous when capital gains taxes are due on appreciation. In addition to the tax receipt issued by the RWLT for the full market value of the gift, you are also exempted from any tax due on the capital gain generated; a tax you would have to pay if you sold the securities outright. Contact your financial advisor about the advantages, or contact RWLT for more details
